

Questions to answer throughout the day:

- What is the market doing?
- What is the market trying to do?
- How well is it getting it done?

Elephant Stomps/TINYS

Didn't even notice that my CHARTS locked up. Can tell not really into it today :(

Had to deal with BOA today getting ready to steal my money again. F'n bank, I am amazed that they are allowed to do business with their

What I did well today:

- Today I did not trade when tired
- Today I followed the market even when tired.

What could I have done better:

- I still need to work on stop computer at 9pm.
- Seems like live and breath computer.

What will I do tomorrow to make things better:

- Prep tonight.
- C# programming.

Have to break out of this slump soon.
