

Questions to answer throughout the day:

- What is the market doing?
- What is the market trying to do?
- How well is it getting it done?

What I did well today:

- Spotted light volume go nowhere day and did not try to traded it.
- Kept a video journal.

What could I have done better:

- Could have expanded my chart prior to open so as to better see buy and sell signals. Missed one from yesterday that may have changed the way I traded today.
