

I am a Successful Trader and have been doing High Probability Winning Trades on a Consistent Basis!

How can I do it?

1. I have a Great Trading Plan which I follow everyday.
2. I have a Daily Game Plan to manage my trades successfully.
3. I always follow the trading rules such as Preserve Precious Capital, No Over-Trade and Money Management Order.
4. I have a Profitable trading system that consists of effective set-ups, eg Market Profile, Perry's, Volume indicators and Price Action.
5. I only do high probability trades that align with the market trend.
6. I do risk evaluation and performance assessment on a regular basis.
7. I have a thread as my trading journal.
8. I have a clear understanding of my short- and long-term goals.
9. I have been using my abilities to their fullest potential!
10. I am dedicated to my trading business and it's my life-time career.

The Very Worst and Very Best Things that could happen when I am running my Trading Business
