

RECLAIM *the* REPUBLIC.
RESTORE *the* CONSTITUTION.

Dear < name > ,

You and I are at a critical point in our fight to Audit the Fed, and time is running out.

I'm counting on you to take action today to help pass Audit the Fed and put it on President Obama's desk for his signature.

Like you, I badly want to win this fight and finally expose the Federal Reserve to the American people.

But that won't happen without your help. So please read C4L President John Tate's email below and take action IMMEDIATELY.

For Liberty,

A handwritten signature in black ink that reads "Rand Paul MD". The signature is written in a cursive, flowing style.

Senator Rand Paul

Dear < name > ,

Ben Bernanke and his out-of-control bankster cronies seem determined to drive our economy straight off a cliff and destroy our dollar in the process.

If you saw the Fed put its foot on the gas announcing QE3 last week, you could hardly come to any other conclusion.

Even after the QE1 and QE2 FAILURES, the Fed is back to its old tricks and pumping even more money into our economy - to the tune of \$40 BILLION per month.

Indefinitely. There's no end in sight.

< name > , it's up to you and me to stop the madness and strip the Fed's corruption naked before the American people by finally auditing the Federal Reserve.

That's why I'm counting on you to [please sign your Action Fax Authorization Form IMMEDIATELY](#).

By signing your form, you'll allow me to flood the U.S. Senate - including Harry Reid's office - with faxes from good folks like you DEMANDING passage of Audit the Fed.

But with the U.S. Senate likely to recess after next weekend, this may be our last opportunity in this Congress.

The good news is, Senator Rand Paul is working feverishly right now to bring Audit the Fed to the Senate floor.

But success or failure in this fight depends on the support of grassroots activists like you from all across the country.

As you know, nearly 75% of the American people support an audit of the Federal Reserve.

And as recently as 2010 - when he was facing a tough reelection - Senator Reid stated he supported a Federal Reserve audit!

But when Audit the Fed recently passed the U.S. House, Harry Reid immediately declared there would be NO Senate vote on auditing the Fed.

But control of the U.S. Senate is up for grabs this November.

So it's up to you and me to send a message to the U.S. Senate: Go against the wishes of nearly 75% of the American people, and find a new job.

So please, help send a loud-and-clear message to the U.S. Senate by signing your Action Fax Authorization Form IMMEDIATELY.

And if possible, I hope you'll agree to your generous contribution of \$500, \$250, \$100, \$50, \$35, or whatever you can afford.

Every dollar you give will help me mobilize more Americans to WIN this fight.

Your Action Fax - along with hundreds of thousands of others - will prove to Harry Reid that the American people are FED up and want to see a bright public spotlight shined on the Federal Reserve.

But as I told you, time is running out.

And if you and I are going to win, it's going to take your generous and IMMEDIATE support.

So please sign your Action Fax Authorization Form and make your most generous contribution of \$500, \$250, \$100, \$50, \$35 - or whatever you can afford - IMMEDIATELY.

In Liberty,

A handwritten signature in blue ink, appearing to read "John Tate". The signature is stylized with a large, flowing "J" and "T".

John Tate
President

P.S. Senator Rand Paul is working feverishly right now to force a vote on Audit the Fed.

But his success or failure will depend on how much pressure you and I can apply to Harry Reid's office and the rest of the U.S. Senate over the next few days.

So please sign your Action Fax Authorization Form and make your most generous contribution of \$500, \$250, \$100, \$50, \$35 - or whatever you can afford - IMMEDIATELY!
